A 14th century Crusader returns to a homeland devastated by the Black Plague. A beleaguered church, deeming sorcery the culprit of the plague, commands the two knights to transport an accused witch to a remote abbey, where monks will perform a ritual in hopes of ending the pestilence. A priest, a grieving knight, a disgraced itinerant and a headstrong youth who can only dream of becoming a knight join a mission troubled by mythically hostile wilderness and fierce contention over the fate of the girl. When the

**Sherlock Holmes**

After finally catching serial killer and occult "sorcerer" Lord Blackwood, legendary sleuth Sherlock Holmes and his assistant Dr. Watson can close yet another successful case. But when Blackwood mysteriously returns from the grave and resumes his killing spree, Holmes must take up the hunt once again. Contending with his partner's new fiancée and the dimwitted head of Scotland Yard, the dauntless detective must unravel the clues that will lead him into a twisted web of murder, deceit, and black magic.

**Shooter**

Yesterday was about honor. Today is about justice.

Bob Lee Swagger, one of the world's greatest marksmen and the son of a Congressional Medal of Honor recipient, is a loner living in the Rockies. He's left the military, having been hung out to dry in a secret Ethiopian mission a few years before, when he's recruited by a lisping colonel to help find a way that the President of the US might be assassinated in one of three cities in the next two weeks. He does his work, but the shot is fired notwithstanding and Bob Lee is quickly the fall guy: wounded and hunted by thousands.

**Shrek Forever After**

The Final Chapter

A bored and domesticated Shrek pacts with deal-maker Rumpelstiltskin to get back to feeling like a real ogre again, but when he's duped and sent to a twisted version of Far Far Away -- where Rumpelstiltskin is king, ogres are hunted, and he and Fiona have never met -- he sets out to restore his world and reclaim his true love.

**Shutter Island**

Someone is missing.

It's 1954, and up-and-coming U.S. marshal Teddy Daniels is assigned to investigate the disappearance of a patient from Boston's Shutter Island Asilecliffe Hospital. He's been pushing for an assignment on the island for personal reasons, but before long he wonders whether he hasn't been brought there as part of a twisted plot by hospital doctors whose radical treatments range from unethical to illegal to downright sinister. Teddy's shrewd investigating skills soon provide a promising lead, but the hospital refuses him...

In August, 1939, a worker goes into labor while working in a slaughterhouse and dies after a complicated labor, though the deformed child survives. The possibly orphaned baby is dumped in a garbage container and found by a beggar later, who brings him home. Along the years, the mentally retarded and disturbed boy called Thomas is raised by the Hewitt family in spite of having psychological problems as well as suffering from an unnamed skin disorder, later working in a meat packing plant. In July, 1969, when the

The Charlestown neighborhood of Boston is renowned for churning out a high number of armed robbers, generation after generation. These robbers never leave their Charlestown life on their own volition, the neighborhood where there is an unwritten code to protect that lifestyle. Such robbers include friends Doug MacRay, James Coughlin, Albert 'Gloansy' Magloan and Desmond Elden. Doug and James in particular treat each other like family, as the Coughlins have realistically been as such to Doug since

Tomas is a doctor and a lady-killer in 1960s Czechoslovakia, an apolitical man who is struck with love for the bookish country girl Tereza; his more sophisticated sometime lover Sabina eventually accepts their relationship and the two women form an electric friendship. The three are caught up in the events of the Prague Spring (1968), until the Soviet tanks crush the non-violent rebels; their illusions are shattered and their lives change forever.

While babysitting a boy and his baby brother, Casey Beldon has a dreadful nightmare involving a weird dog and an evil child, and she tells her best friend Romy over the phone. Casey is haunted by this boy, and when she goes to the ophthalmologist, he asks if she has a twin brother or sister. She asks her father and discovers that her mother lost a son that died in the womb. Casey suspects that she is haunted by the spirit of her brother. She finds a letter addressed to a woman called Sofi Kozma and a

Several months have passed since The X-Men defeated Magneto and imprisoned him in a seemingly impregnable plastic chamber. One day, a mutant by the name of Nightcrawler infiltrates the White House and attempts to assassinate the president, setting off a chain reaction of anti-mutant measures by the government. Meanwhile, Logan is trying to discover his past. As scientist named William Stryker discovers Professor X's secret school and Cerebro, Magneto's partner, Mystique, is planning to break her

Throughout history, tales of chivalry have burnished the legends of brave, handsome knights who rescue fair damsels, slay dragons and conquer evil. But behind many a hero is a good-for-nothing younger brother trying just to stay out of the way of those dragons, evil and trouble in general. Danny McBride and James Franco team up for an epic comedy adventure set in a fantastical world—Your Highness. As two princes on a daring mission to save their land, they must rescue the heir apparent’s fiancée before their

Searching for family. In the early twenty-first century, zombies have taken over America. A shy and inexperienced college student in Texas has survived by following his 30 rules: such as "look in the back seat," "double-tap," "avoid public restrooms." He decides to travel to Ohio to see if his parents are alive. He gets a ride with a boisterous zombie-hating good-old boy headed for Florida, and soon they confront a young woman whose sister has been bitten by a zombie and wants to be put out of her misery. The
